**REQUEST FOR REMOVAL OF CREMAINS
WITH
RELEASE FROM LIABILITY AND INDEMNIFICATION**

I, _____, am of sound mind, am 18 years or older, and request the removal of the Cremains of _____ interred in Plot number _____.

I am related to the interred person(s) as _____.
I further freely and voluntarily enter into this Release of Liability and Indemnity Agreement (hereafter referred to as the "Release") for the removal of said Cremains.

I fully understand and agree that my request for the removal of interred remains at St. Mark's Episcopal Church Memorial Garden is subject to the approval of the Vestry of St. Mark's Episcopal Church.

I understand that St. Mark's provides only a Plot for the interment of cremated human remains in a waterproof container. By its design and construction, the Plot is not weatherproof. No warranty, representation or agreement is or can be made that the effects of weather, exposure, or time will not affect the Cremains interred in a Plot. However, as required by law, the use of a waterproof container for the Cremains would be expected to limit any such damage. As such, St. Mark's is not responsible for the condition of the Cremains being removed.

I expressly agree and intend that the requested removal of Cremains is undertaken **AT MY OWN RISK**. I further agree and intend to **FOREVER RELEASE, DISCHARGE, AND FULLY INDEMNIFY, HOLD HARMLESS AND DEFEND** St. Mark's Episcopal Church and its employees, volunteers, trustees, directors, representatives, insureds and other affiliates or agents from any and all claims, losses, liabilities, actions or causes of action, expenses, or other damages incurred as a result of or in connection with my request and subsequent removal of the Cremains.
