Please add an additional personal comment, responding to one or more of these questions:

What other information would you like to put before the Nominating Committee?
In all honesty, at the age of 79 I wasn't looking to serve on another vestry, but Steve Kiley's call and

encouragement ignited something in me that said I still may have something to contribute, particularly in this perilous time for all churches in this country.

Why would you like to serve on the Vestry at St. Mark's? What special skills or abilities, not referred to above, would you bring to the Vestry?

For the reasons stated above. I believe that I am intuitive, can reason well and have the ability to work well with others.

What ministry or program at St. Mark's particularly interests you?

To be determined as my involvement in the vestry progresses..

I have read the section in this information packet concerning requirements for vestry members, and I affirm that, if called to serve on the vestry or as delegate, I would be prepared to fulfill, to the best of my ability, all of the stated requirements.
