Please add an additional personal comment, responding to one or more of these questions:

What other information would you like to put before the Nominating Committee?

Why would you like to serve on the Vestry at St. Mark's? What special skills or abilities, not referred to above, would you bring to the Vestry?

What ministry or program at St. Mark's particularly interests you?

I have read the section in this information packet concerning requirements for vestry members, and I affirm that, if called to serve on the vestry or as delegate, I would be prepared to fulfill, to the best of my ability, all of the stated requirements.
